RSJ Inspection has been Approved as an Independent Third-Party Agency by NTPC SAIL Power Company Limited (NSPCL) for authentication of veracity of documents as per Qualifying Requirements mentioned in their Tender(s).

RSJ Inspection Service Limited proudly announces its recognition by NTPC SAIL Power Company Limited (NSPCL) as an Independent Third-Party Agency for authentication of veracity of documents submitted by Bidders in support of meeting the Qualifying Requirements.

This milestone marks another achievement in RSJ Inspection's journey of delivering accurate and reliable verification services in compliance with the highest industry standards.

Role and Responsibilities

As an approved Independent Third-Party Agency, RSJ Inspection will authenticate the veracity of bidder documents submitted in support of meeting the Qualifying Requirements. This recognition extends to all RSJ offices, empowering us to serve a broader base of bidders seeking compliance with NSPCL tender requirements.

Certified documents and digitally signed undertakings issued by RSJ Inspection will also be sent directly to NSPCL tendering authorities as stipulated, ensuring a seamless and transparent verification process for all stakeholders.

RSJ Inspection's Legacy of Excellence

Since its inception, RSJ Inspection Service Limited has been synonymous with quality, precision, and reliability. With established partnerships across leading organizations, including NTPC, BPCL, IOCL, and PowerGrid, our role in NSPCL tenders reinforces our position as a trusted industry leader.

Call to Action for Bidders

Bidders requiring authentication of their documents for NSPCL tenders are encouraged to approach any RSJ Inspection office for efficient and compliant verification and certification services. Please note that all costs incurred for these services will be borne by the bidders as per NSPCL's guidelines.

Looking Ahead

RSJ Inspection remains committed to supporting NSPCL and its stakeholders in achieving seamless and reliable project execution. This collaboration marks a significant step in our ongoing journey of "Responsible Value Creation."
