Dear Sir,

With reference to the meeting held last week, we are happy to confirm as follows for ZED certified borrowers when they avail credit facility from our bank .

1. 50% reduction in standard processing fee.
2. 1% reduction in standard interest rate offered to MSME customers.
3. The ZED certification will be factored in while we assess loan applications from MSMEs.

We also confirm that we have obtained necessary internal approvals to display our logo as a member bank offering concessional rates/processing fee to ZED certified enterprises .

Thank you and assuring you of our best support in making this initiative a grand success.

Best Regards
