Dear Mr Vashistha

Greetings!

I refer our discussion regarding the benefits / incentives under MSME Sustainable (ZED) Certification Scheme of the Ministry of MSME and the same offered by YES Bank Ltd.

In this regard, I am pleased to inform that after re-consideration internally, we have agreed to continue offering benefits to eligible MSME customers (under ZED Certification) as has been informed earlier, viz. **'0.5% concession on the processing fee and Rate of Interest'**.

I also request you to update the name and contact details of the undersigned instead of Mr Dinesh Merani from the Bank for any related queries.

You are requested to take a note of the same and update the details on the website.

With Regards
