To submit any documents to regulatory authorities, tenders, or buyers, we see a higher requirement to check the authenticity of the documents, Validation of technical information and completeness of submission of Documents. Hence, we- RSJ Inspection, an ISO 17020 accredited company with 11+ years of experience in conformity solution decided to offer the service of Document Verification. We are now working with various public sector companies to validate the tender qualification criteria as support.

After years of hard work and earned experience, we are glad to announce that we have added '**IAF Scope 35 Document verification**' in our ISO17020 accreditation scope by NABCB. To know more about our accreditation scope, please visit [http://nabcb.qci.org.in/accreditation/inspection\\_bodies/ib040.php](http://nabcb.qci.org.in/accreditation/inspection_bodies/ib040.php)

Also, we are proud to be the first organization to get this scope under our accreditation.

Document Verification service covers.

1. True copy verification
2. Completeness check of submitted documents against the tender requirements.
3. Validation of Technical information

The National Accreditation Board for Certification Bodies (NABCB) provides accreditation to Certification and Inspection Bodies based on the assessment of their competence as per the Board's criteria and following International Standards and Guidelines.

NABCB is internationally recognized and represents the interests of the Indian industry at international forums through membership and active participation to become a signatory to international Multilateral / Mutual Recognition Arrangements (MLA / MRA).

We are happy to get this validation done by NABCB. At this point, we would like to take this opportunity to thank all our clients, NABCB, all the stakeholders to reach another milestone. We are looking forward to continuing to create a win-win situation responsibly for all the stakeholders of RSJ.

RSJ Inspection service is a public limited company registered under ROC, Delhi and the company was incorporated in 2009. We have our head office in Noida, and branch offices in Mumbai & Bangalore.

RSJ performs independent inspections/audits on behalf of the client by following their requirements in terms of the sampling plan, AQL, Standards, and other product specifications provided by them.

This achievement is purely a motivation to continue delivering greater value to our customers responsibly.
