**RSJ Inspection® have been registered as an “Approved Third-Party Inspection Agency” (TPIA) for the Directorate General of Quality Assurance (DGQA), Ministry of Defence, Government of India.**

We at RSJ Inspection® Service Limited are delighted to share that we have been registered and approved as TPIA for Defence Stores and Capacity assessment of defence suppliers by DGQA, Ministry of Defence – Government of India for the period of 15 Apr 2021 to 14 Apr 2026.

The thrust of the “Make in India” initiative and enhanced involvement of the Indian Defence Industry towards greater self-reliance has increased their QA workload. To meet this challenge, DGQA has planned to take the support of certified and competent Third-Party Inspection Agencies.

The applicant TPIA organization is evaluated by the highly experienced and qualified team of assessors drawn from the Ministry of defence, on all aspects for 2 days.

RSJ Inspection® Service Limited has applied for the registration assessment in the month of September 2020. And in February 2021, our organization has undergone the assessment on different areas like QMS document checks, Vertical & Horizontal audit of QA/Inspection/Capacity assessment, TPIA scope & accreditation checks, verification of inspection records, and a real-time demonstration of inspection by TPIA.

Our application was reviewed by a team of eminent Jury from the Directorate General of Quality Assurance (DGQA), Ministry of Defence, Government of India.

RSJ would like to acknowledge and thank the assessors for their efforts, valuable feedback, and insights on various aspects of our business. Also, we are very thankful to all our customers, Employees, Associates, Mentors, Partners, Suppliers, Regulators, Associations, Organizations like DGQA and Government of India for their support and encouragement in our journey.

RSJ is very much honoured and privileged to serve our nation & the front-line warriors through the ‘Directorate General of Quality Assurance’ (DGQA). To realize our purpose “Responsible Value creation”, we will strive hard to create and deliver value to the Nation responsibly through our inspection & assessment services.
